Class Routines and Expectations

Expectations of AMKPIans in the classroom

1. Be seated in your own place
2. No walking around when teachers are not in class.
3. Read a storybook or do own work quietly while waiting for teachers.
4. Desk should not be cluttered with things not needed for the lesson.
5. Participate in learning by listening carefully and looking at the teachers.
6. Speak at an appropriate volume so that you can be heard.

✓ **Be Polite and Kind**

✓ **Be Responsible**

- **Bring things according to the time-table**
- **Look after own belongings (e.g., books, files, water bottles, food containers)**
- **Put money in wallets/purses and keep in pockets**

Home-School Partnership

- ✓ **Important for your child to get sufficient rest and sleep** (at least 9 hours for 7 to 13-years-olds)
- ✓ **Promote holistic health** by limiting recreational screen time as much as possible (daily recreational screen time of 2 hours or more is associated with negative health effects such as poor motor and mental development)
- ✓ **Encourage your child's independence** by guiding them to ask their teachers when they have questions (step in only if it is necessary)

Consequences

Students are to complete homework/assignment punctually.

Consequences:
